

**Stolen Shakespeare Guild Program rates.**  
 Show your support to the arts and the SSG with  
 a Stolen Shakespeare Guild Program ad!

Advertising is available in our playbill/program and creates a connection between businesses and the performing arts. Your advertising links your company to the pulse of your community and provides visibility to arts patrons.

Advertising rates range from \$ 100 to \$ 400 for black and white. Color pricing is also available. Your ad will appear in the program and you will be offered to renew for consecutive SSG productions. Programs are printed approximately one week prior to each production. Your ad will be placed for the next production program printed upon receipt of your ad and payment. For a full page ad of \$400 dollars we will also put your business and a link on our support us page at our website as a sponsor of our company. It will remain for at least one month after the production is complete.

Other theatre companies and arts organizations may purchase ad space up to half a page. Full page ads are reserved for other businesses and SSG productions only.

We have full page, half page and business card ads in our program.
